INITIALS

Q: MAY I BECOME A DISTRIBUTOR FOR DRE?

A: Yes! We are always seeking authorized distributors to promote our products in Nigeria.

Q: MAY I BECOME DRE'S EXCLUSIVE DISTRIBUTOR IN NIGERIA?

A: Because Nigeria constitutes such a large market for DRE, we have found that our customers are best served by having multiple distributors in Nigeria. We therefore do not offer exclusivity. This is wonderful news for you as a new distributor seeking to join our distribution network!

Q: HOW DO I BECOME AN AUTHORIZED DISTRIBUTOR FOR DRE?

A: Becoming a distributor for DRE is easy. Simply use our checklist to follow our 5 step process.

Q: DOES MY DISTRIBUTOR PRICING INCLUDE SHIPPING, DUTIES AND TAXES?

A: Individual equipment prices do not include shipping costs, duties or taxes. DRE can provide a shipping estimate upon request. Duties, taxes and importation fees are always the responsibility of the distributor or purchaser.

Q: WHAT ARE DRE'S PAYMENT TERMS FOR DISTRIBUTORS?

A: DRE accepts payment by bank wire transfer. Credit card payment is sometimes accepted.

Q: DOES DRE ACCEPT PAYMENT BY LETTER OF CREDIT (L/C)?

A: No. DRE has found that payment by L/C can cause lengthy delays and problems for our clients.

Q: MAY I ORDER EQUIPMENT AND PAY DRE AFTER I RECEIVE IT?

A: No. DRE must receive payment in full prior to shipping any medical equipment ordered.

I hereby authorize that I have read and understand each distributor guideline above. I have placed my initials next to each item above and have included my signature below.

*Items you will need: (1) Copy of the tender (2) Access to DRE's website (www.dremed.com)

*Follow these steps and we will try to have a quote to you within two business days!

1. Review the equipment requirements for each item on the tender.

3. Select the DRE product that you feel best meets your tender requirement.
4. Determine the quantity of product that is required.

Q: CAN I EMAIL DRE MY TENDER REQUEST FOR QUOTING?	INITIALS
A: This step is not necessary. To receive an accurate quote, please follow our 5 step process above.	_____
Q: WHY CAN'T I JUST SEND MY TENDER REQUEST TO DRE?	
A: DRE receives dozens of lengthy tender requests every week. Our primary responsibilities are to provide professional equipment quotations and sound medical equipment. For DRE to spend hours reviewing documents and interpreting information from third parties with whom we are not familiar is NEVER in your best interests. Moreover, it would prevent us from providing you with the quotations and equipment that you and our other clients need.	_____
Q: WHY IS IT IMPORTANT FOR ME TO REVIEW THE TENDER REQUEST?	
A: Because you (as the bidder/ client's representative) have a much better understanding of the end user and any special requirements. DRE does not attempt to interpret equipment requests written by unknown parties. This is your responsibility as you are the link to the end user.	_____

I hereby authorize that I have read and understand the tender quotation process and the other items above. I have placed my initials next to each item above and have included my signature below.
